## CROSSROADS PAYS TRIBUTE TO LATE PROFESSOR

We remember the past . . . live for the present . . . hope for the future.

The late Professor Arnold E. Irwin is one all will remember with respect for his reserved manner and dignity.

Our present lives are filled with the memory of one so great a public servant. Our hope for the future may well have been made possible by the many contributions made by him to our city, community, and to our school.

It is to him — that we dedicate our 1960 CROSSROADS.

The past is gone — today is here, tomorrow is what we make from today.

## FOREWORD

We, the Annual Staff, are proud to present to you our 1960 CROSSROADS. This book has caught glimpses here and there, so that in years to come the activities of this school year Joplin Junior College will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '60, we shall be content, knowing that we have done the thing we were called upon to do.

### Jerry Cooper Talks To Journalism Class On M.U. and P.R.

Jerry Cooper spoke informally last Monday to the journalism class about his experience at the University of Michigan and his work in the public relations department of the American Association of Am-

Warning students of the red carpet treatment given to American students at the University of Michigan, the 1959 graduate of the School of Journalism said, "They're as cold as the ice up there." He assured them, however, that the atmosphere does not remain chilly once you've been there about a week. People become very friendly, Jerry said that the reason for the coldness at first is to weed out the poor students.

### Spanish Class Hears Talk on Paraguay

"American influence is beginning to infiltrate all Latin American countries," stated Miss Elizabeth Adams, former resident of Paraguay, when she gave a brief sketch of Paraguay to the Spanish class recently. Miss Adams discussed customs, living conditions, education. She displayed the native costumes on several dolls. Miss Adams recently moved to Joplin after residing in Paris for two years. Her father, the State Department official Adams who has also lived in Ethiopia, is returning to America about seven months.

### Engineers to Visit Missile Test Center

The Engineers' Club plans to have dinner at Hereford House, Wednesday, December 2, and to tour the Rocketdyne division of the North American Aviation Company. On the excursion, they will visit the data reduction department where Jim Morgan and Charles Bridges will demonstrate and explain the operating and programming of computers. Following the tour of the department, they will see the static test engine.

### Appreciation Class Hears Modern Jazz

The music appreciation class listened to a session of live jazz last Tuesday. Local musicians played several selections in both jazz and blues styles, and answered requests from the class members. They also explained modern arrangements. Those playing were Eldridge Martin, piano; Glenn Davis, drums; Bill Pierson, trumpet; and Bill Thomson, a member of the class, bass viol.

Turner Explains Computer Details To Engineers Club

Fred Turner told the Engineers Club and their guests last Tuesday about some current usages of computers. He said, "Computers are most important in finding the trajectory of an unidentified missile, a task which man cannot do enough to avoid danger. Computers are used in cases of industry for their speed and efficiency." Representative

THIRD ROW, top to bottom: Bonnie Cogbill, Karen Aldridge, Rebecca Doolen, Yvonne Clay, Linda Pace, Barbara O'Hara, Nancy Welch. FOURTH ROW: Bob Bishop.

Everyone anxiously awaits the distribution of the CHART. It is a welcome sight, found in each hall and is read quite frequently in the classes, often instead of the text. The hard work done by the staff is truly appreciated by every Juco student.

Writing, proofreading, and rewriting . . . these busy girls take on the task of editing our "Chart."

"Boy, what a game!" exclaims Claire as he describes the action for the paper.

Out go the latest editions to the alumni of J.J.C.

Cherish it always . . . for we shall.

"Who is he?" "I know I've seen him." Everyone is busy trying to identify the pictures so they can be used in the book.

#### PIZZA — PIZZA!!

Who said that the staff was all work and no play? We had fun anyway, didn't we?

Watch that line!

Drawing layouts is a tedious job with company, of course each is eager to do his share for our '60 CROSSROADS.

## MINOR PRODUCTIONS

The "one acts," presented in the spring by the College Players, were directed by students in Mr. B's directing class.

Jim Lobbey, Conrad Gubera, Susan Stout.

Terry Dixon, John Anderson, Murray Lorenzen, Glen Meadows, Betty Lee.

"And It Came to Pass" presented for the Christmas assembly by the acting class under the direction of Mr. Brietzke proved to be an inspiring production that deeply moved all who saw it.

## BEHIND THE SCENES

Judy and Becky try their luck at character make-up, preparing for their roles in "Charley's Aunt."

The pause that refreshes! The cast and crew are still going strong long after the final curtain.

No, Barbara isn't throwing the stand at Bob. This is just an example of the good work done by our efficient stage crew, under Mrs. Mitchell's direction.

## YEAR CHAMPIONS

Coach Dudley Stegge led his football team to another conference win this year.

Ron Rhea, J.J.C. football co-captain, throws the effigy of the Highland football team on the fire at the Pep Rally.

J.J.C.'s patent offensive team, which averaged 19.5 points per game, is shown from left to right: Ron Rhea, John Powell, Buddy Ball, Jim Cash, Bob Brown, Dan Crutcher, and Dave Teagarden on the line. In the backfield Dale Staggs "72" has taken the fake while Q.B. Charles Hammer, F.B. John Hutto, and H.B. Leon Glover decide who is going to end up with the ball.

JIM CASH  
ALL-AMERICAN

Jim Cash, our starting center, was named to the Wigwam Wisemen College football team for his outstanding line play on offense and superior linebacking on defense.

Dale Staggs and manager Jerry Chew give Carl Wilson a hand with that new helmet and those new pads, while John Powell adjusts his shoulder pads.

Joplin scores again and by the looks of John Powell's uniform, number "42," it must be the last touchdown in our homecoming contest with Highland. Final score Joplin 19, Highland 14.

Carl Wilson, our outstanding safety man, hauls down a Highland ball carrier and stops what could have been a sizable gain.

Dale Staggs dives across for the score in our opening game with Fairbury. Joplin 19, Fairbury 0.

Leonard Greninger is pulled down after a sizable gain in our homecoming game.

Linda Houchen Hammer, Mary Baum, Jane Hillhouse, Dixie Moffett, Mary Lou Donahoe, Jewell Frownfelter, Michele Jones.

## CHEERLEADERS

Ready to raise the roof if necessary, Dixie Moffett, cheerleading captain, corralled her squad of vivacious cheerleaders who in turn corralled the spirit of the student body and the team. Product: one happy group of sports fans.

## 1959 HOMECOMING

Juco welcomed its alumni once again to the annual Homecoming.

The evening was highlighted by the crowning of the Queen, selected by the team, at halftime. A parade preceded the game in which many organizations participated. Following our victory over Highland the queen and her attendants reigned over the dance.

The Homecoming Dance was one fit for a queen and enjoyed by her loyal subjects.

Buddy agrees with the football team — an excellent choice!

It is time to close the door on this year, but we can do it with a smile, for we know our memories can be revived each time we open this book. Open it often today, tomorrow, twenty-five years from now. And may we realize that these years . . . perhaps the "best years" . . . have also been the formative years, the turning point in many of our lives.

To the Sophomores — Congratulations, good luck, and so long!

To those of you who are left — Keep on making these "the best years of your lives!"
